2. Proceed to the "My Vouchers" tab

Here, you will be able to see all the collectible vouchers you have acquired during specific campaigns or events.

You can further check

1. Check "**Non-usable**" vouchers to review used, expired, or deactivated vouchers.
2. Visit the "**Get More Voucher**" tab to collect additional vouchers from the selected platform.

28) How can I redeem my collectible voucher?

Collectible vouchers apply automatically to your cart if criteria are met

Let's have a closer look at our simple guide for using collectible vouchers-

- On the product page, all applicable vouchers are shown underneath the price.
- On the 'Checkout' page, view all the vouchers that apply to your purchase. You can combine any Daraz voucher with the seller/brand voucher.
- The system will pick the best voucher for you or you can select any other applicable voucher as per your choice during the checkout process to update the price.
- Now hit '**Place Order**' or '**Check Out**' to buy the product with discounts.

29) What are Collectible vouchers and how to redeem them?

Collectible Vouchers are the promotional offer that users could collect during specific campaigns or events on the platform. These vouchers often offered discounts or benefits on future purchases.

To redeem collectible vouchers on Daraz, you typically need to follow these steps:

1. Collect voucher while you shop on Daraz.
2. Go to My Vouchers tab to see your vouchers.
3. Or check under Daraz Voucher Tab during checkout.

30) Where can I collect vouchers?

Daraz always brings out exciting vouchers and discounts for you. You can collect vouchers in many ways -

1. From Product Page (If available) - From the voucher list, click on "**Collect**" to collect the vouchers.

2. From Store Page- You can collect vouchers from your favorite store page if that store offers any promotional vouchers. You just need to click on "**Collect**" to collect a particular voucher. After collection, vouchers will be added to your vouchers.

3. From Campaign Page - On our campaign days, you can see different types of collectible vouchers from the campaign home page. You can collect those vouchers and can use them as per the terms and conditions. To know about vouchers '**Voucher Details**' customers can see the minimum order amount and discount amount on the voucher sticker.

31) Why am I unable to use vouchers?

Voucher Expiry: Check the expiration date of the voucher. If it has passed, the voucher will no longer be valid for use.

Minimum Purchase Requirement: Some vouchers might have a minimum purchase amount requirement. Ensure your cart meets the minimum spend criteria to apply the voucher.

Specific Product Restrictions: Certain vouchers might apply only to specific products or categories. Verify if the voucher applies to the items in your cart.

Voucher Limitations: Vouchers could have limitations regarding their usage, such as being valid only for first-time users, single-use, or restricted to certain sellers or brands.

Account Specific: Occasionally, vouchers might be tailored for specific user accounts or targeted promotions. Ensure that the voucher you have is eligible for your account.

32) How can I avail Sticker Price?

From the Daraz App, you will see a “**Voucher**” section and from the Website, you will see a “**Promotions**” section on the product page. From there you can choose the available promotional voucher with which you can avail the sticker price.

You have to press the “**Collect**” option to collect the voucher. During checkout, you will see the promotional discount deducted from the product price value.

If the voucher code has to be pasted in the voucher box, you have to collect the voucher and paste the code into the voucher box during checkout. Finally, you will get the product at a similar sticker price.

33) How can I use my Refund Voucher?

If you are eligible for refund, you can get the refund as a voucher in Daraz platform instead of bank/MFS wallet refunds. Refund vouchers are created very fast in the system, hence you get the refund quicker compared to banks or MFS wallets.

34) What is 'Shake Shake'?

By participating in the "Shake Shake" offer through the Daraz App customers will get a chance to win exciting Daraz or brand-specific vouchers by shaking their phones at certain times during the Campaign.

35) How the best vouchers are selected for me?

We always make sure to facilitate our customers during any purchase. If you have multiple Daraz coupons or multiple vouchers from the same seller, we will select the best voucher among them.

We will make sure:

1. You will be given a voucher that will save you the maximum money.
2. If two vouchers provide the same discount, the voucher with the larger minimum order value will be used.
3. If two vouchers provide the same savings and have the same minimum order amount, the voucher with the earliest expiration date will be used

You can also select your preferable discount voucher. If you click on *Daraz Voucher* section, you can get to see the applicable discount amounts after applying the voucher.

36) Why am I unable to collect vouchers?

There may be one or more reasons why you're unable to collect the vouchers.

Some of them are listed below.

37) How can I avail Sticker Price?

Sticker price on a product indicates the lowest possible price that you can enjoy on the specific product by using all possible Daraz Voucher, Coins, Prepayment offers, Store vouchers.

- This sticker clearly indicates the lowest price that will be added during checkout to obtain the best possible pricing. To receive the mentioned discount please select and collect a specific voucher from the promotions section.
- For flash sale sticker prices, the discounted price will automatically be added to the cart.

38) What should I do when my order value is more than my voucher amount?

If your voucher/daraz gift voucher value is less than the order amount, you'll be asked to select an additional payment method to complete the payment.

You can select the payment option at the time of checkout.

39) Can a customer use a voucher multiple times?

No, customers will be able to use both sellers and platform vouchers only once. One per customer for both seller and platform voucher.

However, you can always collect a new voucher from this [link](#).

40) What are the different types of vouchers and how to avail them?

There are multiple types of Daraz vouchers. Please check below for more details:

Collectible Vouchers

Collectible vouchers are, as the name suggests, vouchers you have to collect before use. You can secure a collectible voucher for a discount of up to a certain amount.

There are always some collectible vouchers that you can get your hands on on Daraz. You can find them as you navigate the app/website. Many collectible vouchers go live during specific campaigns for campaign-related discounts.

To avail collectible voucher follow, the steps -

1. Go to the Daraz App and find your desired product
2. On the product page, scroll down to the **Product Promotion** section.
You will find all the available collectible vouchers for that product here.
Click on the '**Collect**' button to collect a voucher.
3. Now, add the product to your cart and proceed to **Check Out**

4. In checkout, you will see that the voucher has already been applied automatically
5. Congratulations. Your Daraz discount voucher is applied successfully and the price is updated according to the discount rate!
6. The checkout page will show the complete billing information including all the **Discounts, Fees** and **Prices**.
7. You can also collect and apply multiple vouchers at a single order from different sellers.

Please visit this link to check out more about the collectible vouchers.

Coupon Vouchers

Coupon vouchers are promotional vouchers given to you as a code. If you have a coupon voucher, you can copy paste the code to 'Promo Code' section during checkout to avail the discount. To use coupon voucher follow the following steps -

1. Install the Daraz app.
2. Find Your Desired Product
3. Add The Product to your Shopping Cart
4. Continue Shopping or Proceed to Checkout
5. Use the Coupon Code in the 'Promo Code' section and confirm the order

41) If my order is cancelled or returned, will I get my Collectible Vouchers back with my refunds?

If your order was cancelled before it was shipped, then the collectible voucher will be refunded to you, but if the order was cancelled after it was shipped, then unfortunately, it won't be refunded to you.

If your order was returned, the collectible voucher won't be refunded to you in this case.

Regrettably, Collectible vouchers are non-refundable. Nevertheless, you can now collect vouchers before the event concludes.

42) How to Collect Vouchers during a Live stream?

To collect vouchers during a live stream, follow these steps:

1. Look for the pop-up voucher tab displaying the discount offer.
2. Click on the tab, which will redirect you to the voucher section.
3. Review the terms and conditions and check the minimum spend requirement, if any.

43) Why am I not able to see my Collectible Vouchers in my Wallet?

At Daraz, you can get exciting vouchers when shopping. Vouchers can be found in campaign pages, product pages, stores, etc. These vouchers may be offered by the

seller or by Daraz. By collecting these vouchers, you can get amazing discounts when purchasing products. All vouchers you have collected will be saved to your voucher wallet and automatically be applied when you check out. Please note that vouchers will only show up in your wallet after you have collected them. If you don't collect, they cannot be found.

You can get to see your collectible voucher from Daraz App by following below steps:

1. Log in to your account from Daraz App.
2. Go to the "My Account" option at right side below from app homepage.
3. Click on "Vouchers" section.
4. You can see all your coupons, store credit and collectible vouchers from the "All" slide. (All types of assigned vouchers or from "Daraz": Promotional / Collectible Daraz vouchers.)

44) Can I choose not to use the collectible vouchers applied by default?

If you have already collected a voucher that will automatically apply on the checkout page. Although we determine the best vouchers for you ourselves, you can choose to use a different voucher or not use any voucher by pressing "Store Voucher" or "Daraz Voucher" in checkout page based on your requirement.

Collectible vouchers will apply to all products by default but there might be some conditions that make the voucher active, for example: category/item restrictions, minimum purchase amount etc.

45) Why am I unable to use my Collectible Vouchers?

Users can redeem collected vouchers on a first come first served basis until the redemption budget is met. Once you collect a voucher, you can monitor its progress in the "My Voucher" section.

The **"Progress Bar"** displays how much of the voucher has been utilized. Ensure to use it before it's fully redeemed.

Additionally, there's a **"Timer"** feature to remind you to use the voucher before it expires, even if the progress bar shows remaining availability.

46) How do I use a gift card or a voucher?

It's so easy to use Gift cards and Code Vouchers. Follow the below steps:

Point 3: Orders

1) Where can I get updates on my case?

You can track the progress of your complaint/Claim status on our Case Tracker link anytime.

App: Go to App > My Account > Help Centre > My Cases

Website: My Account > Help Center > My Cases

Here's what each status means:

Created: Complaint escalated; will update you as soon as possible.

In Progress: Being processed; update soon.

Pending Info: Check your email & respond within 24 hours.

On Hold: Under review, resolution in progress.

Resolved: Issue resolved; check email for details.

Closed: Case closed; contact support if needed.

2) How Does a Case Tracker Work?

When a customer files a complaint or raises a query, the case is immediately logged into the system and assigned a unique Case ID for tracking.

1. **Multiple Statuses:** The case tracker displays various statuses that a case goes through, such as:
2. **Created:** Your complaint has been registered in the system. We will investigate and provide a resolution in 5 business days.
3. **In Progress:** Your complaint is now under investigation. We'll update you as soon as there's progress.
4. **Pending Info from Buyer:** We need more details to process your complaint. Please check your email and respond within 24 hours.
5. **On Hold:** Your complaint is under review with relevant function, and we are coordinating for a resolution. (We are using In Progress for the On Hold status).

6. **Resolved:** Your issue has been resolved. Please check your email for details.
Thank you for your cooperation.
7. **Closed:** Your case is closed. Contact support if you need further assistance.

Search by Case ID: Customers can search for their case using a unique Case ID to view its current status and updates.

3) How do I "Review" my product?

1. Fashion products: Unworn and unwashed, can be tried on to check fit.
2. Include all received items: free gifts, warranties, tags, manuals, etc.
3. Return in undamaged original packaging, no tape on manufacturer's box.
4. Protect damaged Daraz packaging with extra plastic wrapping.
5. Maintain product's received condition.

8) Why my return request got canceled ?

There are several possible reasons why your return request might have been canceled. Here are some of the most common reasons:

Customer Did Not Drop Off the Product: In cases where the return process involves the customer physically dropping off the item at a designated location or arranging for a pickup, if the customer fails to complete this step, the return request might be canceled.

Rider Reached Out but No Response from Customer: When the return process involves a delivery person or rider reaching out to collect the item, if the customer

doesn't respond or isn't available during the scheduled pickup time, it might lead to the cancellation of the return request.

Customer Cancels the Return Request: Sometimes, customers change their minds or decide to keep the item, so they cancel the return request themselves.

9) Where is the nearest drop-off location?

You can drop your return package at your nearest return station based on your selected courier. To find your nearest **DEX / 3PL** Drop-off points, please visit the mentioned link below:

It takes your bank around **10 working days** to process the amount. In case you have not received the amount after 10 working days, then chat with us.

28) What is Daraz's Refund Policy?

Daraz facilitates customers with a very simple refund policy.

1. The processing time of your refund depends on the type of refund and the payment method you used.
2. The refund period / process starts when Daraz has processed your refund according to your refund type.
3. The refund amount covers the item price and shipping fee for your returned product.
4. In case of any refund, the received cash back amount, if any, will be adjusted with the refund amount.

29) What are the Refund Timelines?

Refunds are issued in the following cases:

1. Returns: For return requests that are approved, you will be refunded as per the refund timelines.
2. Cancellation: After cancellation, refunds are automatically processed and you will receive it as per the refund timelines.

3. Delivery Failed: Once the package is returned to the seller, you will be refunded as per the refund timelines.

Once your refund is approved, Daraz immediately processes your refund but it may still take some time for your bank or payment partner to reflect it to your account.

Refund timelines for all refund methods are shared as follows.

30) Does Daraz Refund shipping fee?

Yes, Daraz refunds the shipping fee. The shipping fee is refunded along with the amount you have paid for your returned or cancelled product.

For example:

You have returned a product. The product price of the returned product is 100 taka and the delivery charge is 25 taka. When you will receive your refund the refunded amount will 125 taka.

The same will goes for the cancelled order.

31) What is Daraz refund process?

Issuance of Refunds:

You can choose your preferred refund method based on the Refund Timeline if your product is eligible for a refund. The shipping fee is refunded along with the amount paid for your returned product.

11) How can I avail of free delivery on Daraz?

How to Avail Free Delivery on Daraz Bangladesh:

Daraz Bangladesh offers free delivery on a wide range of products through various methods. Here are some ways you can take advantage of free delivery:

Shop for Products with the "Free Delivery" Tag:

Look for products bearing a "Free Delivery" tag on the product listing page. These items are eligible for free delivery regardless of your purchase amount.

You can filter your search results to specifically show products with free delivery by using the filters available on the Daraz website or app.

Achieve a Minimum Order Value:

Many vendors offer free delivery if your purchase reaches a specific minimum order value. This minimum order value varies depending on the seller and product category.

Participate in Promos and Discounts:

Daraz regularly runs promotional campaigns and discounts that offer free delivery on specific products or categories.

Check the "Flash Deals" or "Campaigns" sections on the Daraz website or app to see if any current promotions include free delivery.

12) Why are my items shipped separately?

There are a few reasons why your items might be shipped separately.

You ordered your items from multiple sellers: This is the most common reason for split shipments. When you order items from multiple sellers, each seller will ship their own items to you. This means that you may receive multiple packages, each from a different seller.

Some of your items are being shipped from different warehouses: If your items are being shipped from different warehouses, it may be more efficient for the seller to ship them separately rather than trying to consolidate them into a single package.

Some of your items have different shipping timeline: If you ordered items with different shipping timeline, you will get your products with different time.

And, whenever our logistics team receives any product from one seller they will process the product for delivery from the very next moment upon receiving it.

13) What are the 'Delivery Timelines'?

Delivery timeline refers to the time an order takes to reach the customer's hands.

Daraz is always devoted to getting your orders delivered by committed delivery time on the product page. As per convenience, customers can find out delivery timelines in many ways.

Let's have a closer look at our simple ways to find out when your products will be delivered-

Step 1 - Login to your Daraz account > go to "Account" > "My Orders"> "View All".

Step 2 - Press on your desired "Order"

Step 3 - Click on the "Track Package" to find out the estimated delivery timeline.

14) Does Daraz deliver all over country?

At Daraz, we pride ourselves on providing a seamless and efficient delivery service to customers all over the country. With our extensive network and strategic partnerships, we ensure that your orders reach your doorstep reliably and on time.

1. **Nationwide Coverage:** Daraz's commitment to delivering across the nation means that no matter where you are, our services are accessible to you. Whether you live in a bustling city or a remote village, we've got you covered.
2. **In-House Expertise with DEX:** Our own logistics service, Daraz Express (DEX), plays a pivotal role in ensuring the swift and secure delivery of your orders. With DEX, we have complete control over the

delivery process, allowing us to maintain the highest standards of efficiency and reliability.

3. **Trusted 3PL Partners:** In addition to DEX, we collaborate with reputable third-party logistics (3PL) providers like RedX, E-Desh, iExpress etc. These partnerships enhance our reach and capacity, enabling us to serve you even better.
4. **Speed and Reliability:** Our commitment to timely deliveries is unwavering. We understand that your time is precious, and we go the extra mile to ensure that your orders are delivered promptly and in pristine condition.
5. **Diverse Product Range:** Whether you're shopping for electronics, fashion, home essentials, or anything in between, our delivery service covers the entire range of products available on Daraz.
6. **Easy Tracking:** We provide real-time tracking options so you can monitor the progress of your order every step of the way. You'll always know when to expect your delivery.

15) Can I change my shipping address after I have placed my order?

Shipping address can't be changed after placing an order. However, you may cancel the placed order and re-order with your correct/new address. Otherwise, you have to receive the product at that given address.

To select the correct address please follow these steps -

1. Log in to your Daraz Account.
2. Click on the 'Settings' icon and go to the 'Address Book' option.
3. Choose your correct address from the list and make it default.

16) What is free shipping?

Free shipping is a deal where you can get your product delivered without any shipping / delivery charge.

During campaign periods, Daraz offers free shipping slots, where customers can order products without any shipping charge. Terms and conditions like category restrictions, minimum order amount, minimum item amount, etc. might apply on free shipping deals.

17) I found the package open and the product seal broken on delivery. What should I do?

Customers should check the whole package carefully, if the package is opened/damaged or the product seal is broken, the customer should not accept it.

If you accept any open or damaged package without noticing or by mistake, kindly contact our Customer Service Representative via "Live Chat". They will provide you with a solution and will take the necessary step to solve the issue.

18) My parcel has been reported missing. What now?

No worries! Daraz always brings convenient solutions to the customers. For such unexpected scenarios, please find the solutions below:

- If your order is paid and reported as missing before being delivered to you, you will receive the refund as per our Daraz refund policy.
- If you want to purchase the item, kindly need to place the order again.
- If you have already received the order and found your ordered item missing, kindly contact our Customer Service Representative via Live Chat or Hotline Service 16492 as soon as possible to share your issue. So that we can take immediate action against this unexpected situation.

19) What do I do if my order did not reach in the promised lead time?

In such scenarios, please reach out to us via **Live Chat or Hotline (16492)** and share your order number to check the issue. From our end, we will surely take the proper step if necessary.

Please note that, if your order did not reach you in the promised lead time or order status has not been updated, mentioned reasons can be:

1. Floods / Earthquakes/ Weather conditions
2. Protest / Strikes
3. Pandemic / Lockdown
4. Long government holiday (Eid/ Puja etc)

However, Daraz will not be liable for delays due to the following circumstances:

1. Incomplete / Wrong address
2. Customer failed to receive items

Daraz doesn't have any fixed delivery charge. Delivery charges basically depend on product weight, shipping location, quantity etc. Therefore, the shipping charge you can see on product page is generated by the system depending on mentioned parameters.

20) Will someone contact me before delivering the package to my location?

Yes, our delivery hero may contact you to confirm your location. Other than that, our delivery man always contacts right before the delivery time.

Furthermore, if you missed the first attempt of delivery, we'll attempt to deliver your order again. Delivery partners may take **1-3 attempts** to deliver the order to you.

21) What are the most common reasons for failed deliveries and how to avoid them?

Some of the most common reasons for failed delivery are as follows:

Wrong Address: While placing an order, the customer has entered the incorrect address.

Wrong Phone Number: While placing an order, the customer has provided a wrong phone number.

Customer not available: Our delivery rider has not been able to get in touch with the customer

There are various ways to avoid failed delivery, we have mentioned some of them here. Please follow these in order to avoid failed delivery.
